

**Genesis Kids Academy Parent Agreement to Covid-19 Policies  
Concerning School Closures**

Genesis Kids Academy fully understands a parent's need for quality, reliable childcare. Although GKA maintains its identity as a preschool/early childhood education center, we also acknowledge that many parents enroll their child as a form of child care so that they can maintain a profession for necessary income.

The team at GKA has in place plans to minimize the risk of exposure and transmission of Covid-19. We ask that parents recognize that because of the nature of small children in close contact, there is still a chance that our center will see students, families, and/or staff members who will contract Covid-19.

By signing this agreement, I acknowledge that it is possible that Genesis Kids Academy may need to close, short term or long term, if someone at our center becomes sick with the virus. Temporary closures would allow time for disinfecting of the spaces we use as well as potential time for those who were in contact with virus to quarantine and/or be tested depending on the circumstances.

I also understand that because of costs that the preschool continues to incur, even while closed, tuition will not be discounted or refunded due to any temporary school closures or absences due to illness.
