SERMON

This image shows a full page of a document template. It consists of a series of evenly spaced, horizontal black dotted lines running across the width of the page. There are no margins, text, or other markings present. The background is plain white.

Now that you have heard God's Word taught, it is time to apply God's truths specifically to your own life (James 1:22).

1. Why are the Bible's warnings to persevere in the faith so important to the Christian life? What would the Christian life be if these warnings did not exist?
2. Have you experienced anyone like Demas in your life? Why did they denounce the faith? What values did they embrace that led them away from the things of God?
3. How can you personally apply the warning of Demas' life to yourself? Are there any anti-Gospel values you have begun to embrace? Are there any Christless loves that have taken root in your heart?
4. Meditate upon and memorize Colossians 4:14, "*Luke, the beloved physician, sends you his greetings, and also Demas.*"
5. Pray the Passage: Turn your answer to question #3 above into a personal prayer for yourself.
