

Victor Harbor Community Service Scholarship

When the Apostle Peter assured Jesus three times that he loved Him, Jesus responded three times, "Feed my sheep." Mr. Victor Harbor lived this commandment from Jesus.

His many good works in the community included: 1) delivering blood from the Red Cross to local hospitals; 2) providing food, parties and entertainment to older patients at Bryce Hospital; 3) preparing and serving food to the homeless at The Old Firehouse Shelter and the First Light Shelter; 4) delivering sanctuary flowers from the church to our homebound members; 5) sharing from his garden and yard plants which can now be found all over the Bluff Park community; 6) corresponding with the terminally ill; 7) organizing and teaching the Covenant and Faith Sunday School classes, while faithfully teaching the Seekers and Opportunity classes; 8) working in Vacation Bible School; 9) and tutoring 5th Grade reading and math at Bluff Park Elementary.

Mr. Harbor displayed a kind, positive disposition to all people. Victor never met a stranger! He led others in spiritual growth and direction while providing encouragement and support. Victor was always generous with his finances, time, concern and love. He truly fed others as Jesus commanded.

The Victor Harbor Community Service Scholarship was set up to assist students with the cost of tuition for higher learning. Award recipients must display concern and service to the community as young persons. Instead of applying for this scholarship, students may be nominated by a member of Bluff Park United Methodist Church. Please use the following form to nominate a student to the Scholarship Committee at Bluff Park UMC.
