DAY 2

Read Psalm 23

Have you ever been on a really wild roller coaster? One minute you're climbing high, the next you're swooping down! Life can feel like that, right? One day you're excited, the next sad or worried.

King David, who wrote many Psalms, knew about big feelings. Before he was king, he was a shepherd boy in nature, much like in Psalm 23. He watched his sheep, writing songs about God's amazing creation. David learned that God is like a good shepherd, always caring for His sheep, no matter how tough the path.

Just as a shepherd guides his sheep to green pastures, God wants to guide your emotions. Even when life feels wild or scary, God is right there, helping you find peace and rest. He guides us, restores our souls when weary, and walks with us through everything. It's okay to have all sorts of feelings. The wisest choice is to bring every single one to God! He understands and will help.

When have you felt a roller coaster of emotions?

DAY 3

Read Psalm 8

Have you ever faced a tricky problem or a tough decision? What did you do? You might ask for help, or think really hard.

King David, even as a shepherd boy, made incredibly wise choices because he trusted God. Remember how he faced Goliath? Everyone else was scared, but David relied on God's power. That was a super wise choice! Because of his wisdom and bravery, King Saul invited David to play music for him and lead his army.

Psalm 8 reminds us how truly amazing God is. He made everything in the universe, from tiny bugs to huge stars! If God is that powerful and wise, imagine how much wisdom He can give you! When you focus on God, you can ask Him for help to make wise choices every day. Whether it's picking good friends, being kind, or studying, God gives us wisdom.

One wise choice I want to make this week is:

THIS MONTH'S MEMORY VERSE:

"It is much better to get wisdom than gold.
It is much better to choose understanding than silver."

Proverbs 16:16 NIrV

Read Psalm 18

But even in those challenging moments, David chose to trust God. He knew God was his “rock” and his “fortress,” a safe place to run to. When you’re in a tough spot or things feel confusing and difficult, remember to focus on God. He is always there, ready to be your safe place. Choosing to trust God, even when it’s hard, is one of the wisest choices you can make.

Draw a picture of something that reminds you of God being your “rock” or “fortress” when things are tough. It could be a strong castle, a cozy fort, or anything that makes you feel safe and secure. Hang it up where you can see it to help you remember to trust God.

“Dear God, thank You for giving me Your Word, the Bible. I want to spend time reading Your word, the Bible, every day. Please help me make wise choices. I want to grow in wisdom so I can honor You. In Jesus’ name. Amen.”

Spend some time thinking about the question below and journal your thoughts or share them with a parent.

How do you know what's wise?

Read Psalm 1

Have you ever seen a tree planted right next to a river? Its roots dig deep into the rich soil, always getting enough water. Psalm 1 compares people who love God's word to those strong, healthy trees. It says that blessed, or happy, people don't follow bad advice. Instead, they love God's Word and think about it day and night! When you spend time with people who love God and dig into what God says in the Bible, it's like planting yourself firmly by a never-ending source of wisdom. Just like a tree needs water, we need God's Word to grow strong in wisdom and make smart choices, no matter what comes our way.

Pray today, thanking God for His word, the Bible!

BONUS VERSE:

"The Lord is my shepherd, I lack nothing.
He makes me lie down in green pastures,
He leads me beside quiet waters."

Psalm 23:1-2 NIV
