St. Vincent de Paul Microloan Program

SVdP provides loans up to \$1,000 at 3-4% APR (based on current rate) and based on availability of funds. Microloans are originated as a three-party check payable to the borrower and the business providing the goods or services.

Applicants must meet the credit union's requirements for membership in the counties where we currently have an active loan program.

Visit www.svdpcolumbus.org/contact_info for more information.
