

DIY : PARK CLEAN-UP

WHAT IS THE PROJECT?

Help clean and beautify your local parks!

HOW MANY PEOPLE CAN DO THIS PROJECT? - 5-15

LOCATION OF THE PROJECT

Any local park.

BEST TIME/SEASON TO DO THE PROJECT

Spring for early season clean-up, Summer to maintain, or late Fall to clean up fallen leaves.

THE PURPOSE OF THE PROJECT

To beautify local parks and make them even more enjoyable for the community.

SUPPLIES NEEDED

- Rakes, shovels, brooms, plant and tree trimming tools
- Gloves
- Large garbage bags and/or lawn bags
- A few hand tools for any potential small repairs

STEP-BY-STEP INSTRUCTIONS

1. Contact local municipalities to see what local parks could use cleaning. Ask if there are any special requests, instructions or concerns. Ask when it would be best to do the project, and agree on a completion date.
2. Gather a group of 5-15 individuals willing to help work on cleaning the park. Find a date that all can participate.
3. Complete the cleaning and park beautification project within the time promised.
