

# JOINING US IN NEXT OR 678?

Like our adult services, we're taking additional steps to keep our NEXT and 678 environments safe, (and FUN) for your family!

- We encourage you to only send one parent into NEXT for drop-off and pick-up to help limit hallway traffic.
- Be sure to use hand sanitizer or wash your hands before entering NEXT or 678 and encourage your children to do the same.
- You'll see lots of big waves but let's avoid hugs, high-fives, and handshakes.

## We're taking extra care inside each room, too!

- We've increased hygiene and cleaning protocols in our spaces during and between services.
- We will not be serving candy or snacks during this phase. Bottles and sippy cups will be allowed in NEXT Jr., and cafe drinks will be sold in 678.
- Children kindergarten - 8th grade will need to wear a mask as well as all volunteers.
- Additional hand-sanitizing stations will be available in the check-in and hallway areas.
- All toys, games, and hard surfaces will be sanitized frequently.

Of course, we'll need to work together to help keep NEXT and 678 a safe place for everyone, so please stay home and participate in On Demand or Facebook LIVE if you or your child has had a fever in the past 14 days, show any symptoms of COVID-19, or has been around anyone who has tested positive for COVID-19.

If you have any questions about what to expect, please don't hesitate to reach out to your campus' NEXT or 678 leader.
