

Groups at Grace are made up of imperfect people who come together to learn, study, and ask questions about Christianity, the Bible, Jesus, and more. Check out this season's opportunities:

STUDENT GROUPS (6TH-12TH GRADES)

Students engage with age-appropriate content meeting them right where they are. They also connect with and build community with other students in their age and life phase.

THE COMMONS (HIGH SCHOOL GRADS - 29 YEARS OLD)

The Commons meets weekly for relevant teaching and small group discussion. Groups meet young adults where they are and come alongside them as they walk through today's culture and challenges.

GRACE GROUPS (ADULTS)

Grace Groups meet weekly in homes from September through May to study and apply the Bible, care for one another, and pray.

BIBLE STUDY GROUPS (ADULTS)

Bible Study Groups meet weekly at one of our local campuses for a designated time (typically 6 to 8 weeks) and hone in on a specific topic or book of the Bible.

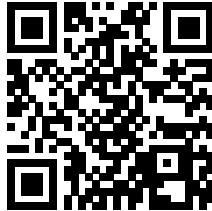

FOLLOW GROUPS (ADULTS)

Follow Groups are small (4-5 people), gender-specific groups that provide a high level of accountability and focus on pushing group members to grow as Jesus-centered followers.

CARE GROUPS (ADULTS)

Care Groups come together to process through various life challenges. These groups meet at a local campus for approximately 8-13 weeks.
