

DESIRE

To prepare our faith through understanding the predictability of our foe.

BIG DEAL

There is power in what is proclaimed over people.

THE PLAYBOOK

The enemy is an accuser, and the accusations are to get you to shift from focusing on activity to identity.

AT THE CORE

The accusations are an attempt to move a person away from God's grace.

WHEN ACCUSATIONS SHOW UP

Move towards God's grace.

MOVING TOWARDS

1. Claim Christ and His cross.
2. Embrace conviction and disregard condemnation.

IN CHRIST

You may be hearing the claims of the accuser, but your Heavenly Father is hearing the claims of your advocate.
