OUR MISSION:

To help others discover the life they were created to live. This life is found only in a relationship with Messiah Yeshua. We believe that a love for Yahweh can only be obtained through Messiah. We accomplish this epic life by loving Yahweh with all of our heart, all our mind and all our strength and by loving others as we love ourselves.

We understand that there is a plethora of views when it comes to being grafted into Israel. We ask that you respect others and their views and act in love towards each other at all ELC events. This is a time of celebration and not debate. A time to come together to worship and fellowship with like-minded followers of Messiah. We pray you leave with your hearts full and ready to fulfill the call of Messiah on your life. Anyone being divisive will be asked to stop, and if it continues, they will be asked to leave the feast.

At Shuvah electricity availability will be very limited and most people will not have access to electricity. Plan to camp without electricity. If you have to have electricity, please contact Carrie Killgo @ admin@epiclifeterrell.com.

TRIBES

Each person/family will be assigned to a Tribe with a tribe leader. All issues regarding the feast are to be brought to them. They will bring it to the Elders of ELC. If there is any concern, problems or questions, they are to be brought to Your Tribe leader first.

Each Tribe will have rotating duties within the camp including but not limited to cleaning of restrooms, and garbage collection. Check with your Tribe leader for more details.

We have kept the cost down at Shuvah so that everyone can attend. Most Sukkot locations are well over \$200. To keep our cost down we will be taking up an offering to cover the costs of the Feast and to cover other expenses on the property. There will be a giving box set up near the shared kitchen, drop your offering off at any time during the week. Please bring your offering with you.

Leviticus 23:37 (LSB)

- 37** 'These are the **appointed times of Yahweh** which you shall proclaim as holy convocations, **to bring offerings** by fire near to Yahweh—burnt offerings and grain offerings, sacrifices and drink offerings, *each* day's matter on its own day—

Although we don't bring offerings of fire, burnt offerings or grain offerings, we are still to bring something that costs us. To express gratitude, obedience and faith in Yahweh's provision and plan.

We are so grateful that you've made ELC your community to celebrate the Feasts of Yahweh, let's prepare our hearts to receive everything He has for us in this holy season.
