OUR MISSION:

To help others discover the life they were created to live. This life is found only in a relationship with Messiah Yeshua. We believe that a love for Yahweh can only be obtained through Messiah. We accomplish this epic life by loving Yahweh with all our hearts, all our mind and all our strength and by loving others as we love our self.

We understand that there is a plethora of views when it comes to being grafted in to Israel. We ask that you respect others and their views and act in love towards each other at all ELC events. This is a time of celebration and not debate. A time to come together to worship and fellowship with like-minded followers of Messiah. We pray you leave with your hearts full and ready to fulfill the call of Messiah on your life. Anyone being divisive will be asked to stop, and if it continues, they will be asked to leave the feast.

At Music springs electricity availability will be very limited and most people will not have access to electricity. Plan to camp without electricity. If you have to have electricity please contact Carrie Higgins @ admin@epiclifeterrell.com.
