

VIVE KIDS BAPTISM

WHAT'S NEXT?

CONGRATULATIONS!

Is your child asking about being baptized? That's awesome!

We believe that every child has the ability to have a personal relationship with Jesus Christ no matter their age.

IS MY CHILD READY?

If you feel your child does not understand what it means to be water baptized, it is entirely appropriate to wait. During this time, let your child observe water baptism and talk to them about what it means. We would love to continue partnering with your family to grow in faith and also encourage you to keep nurturing your child's personal friendship with Jesus.

TALK ABOUT IT

We encourage all families to sit down and ask these questions before signing up for baptism:

- When did you decide to follow Jesus and become born again?
- What does it mean to be baptized?
- Why do you want to be baptized?

FOLLOWING JESUS

Your child should have a specific memory of when he or she understood what Jesus did, and that he or she needs Jesus in their life. It may have been at church, at home, or even when they were alone talking to God. We believe that once you pray and ask Jesus to come into your heart, God commands us to show the world that He is doing something inside of us!

WE ARE BORN AGAIN

In Matthew 3, we see that Jesus was baptized and He tells us to be baptized too.

We do this because we want to follow Him. And because we are born again.

WHAT IS WATER BAPTISM?

It is a picture of what Jesus has done on the inside of us. It's the picture of dying to our old selves and being raised into a new life in Christ.

"If you openly declare that Jesus is Lord and believe in your heart that God raised him from the dead, you will be saved." - Romans 10:9
