Discussion Guide

(for use individually, as a family or in your small group)

Begin by reading Philippians 3:17-4:1. Discuss any insights or observations you have from this week's message or from the scripture passages shared? Did anything stand out to you?

1. Do you have a Christians in your life that you imitate toward Christlikeness?
2. **Read Philippians 3:18-19.** Why is Paul so insistent that we pay careful attention only to those who imitate Christ and the apostles? Can you identify those who are enemies of the cross, even from within the body? How?
2. What would you need to change in order to be a Christian that others can imitate?
3. **Read Philippians 4:1.** In light of what has been taught in Chapter 3, how are you doing at standing firm in the Lord?

Discuss any further insights together and close in prayer.
