Discussion Guide

(for use individually, as a family or in your small group)

Begin by reading John 3:22-36. Discuss any insights or observations you have from this week's message or from the scripture passages shared? Did anything stand out to you?

1. John the Baptist is one of many faithful examples in the Bible. What other people from the Bible have you been encouraged or challenged by? Share why.
2. How have you seen your own calling, passions, or giftings thrive and wane? What did your faith look like during the thriving? What did it look like during the waning?
3. Read and reflect on John 3:30. Looking at John the Baptist's example and your own life, how must Jesus increase, and how must you decrease?
4. How does the supremacy of Jesus influence your life?

Discuss any further insights together and close in prayer.
