## Discussion Guide

*(for home reflection as a family or group after the message)*

*Read Ephesians 4:11-16 together. Discuss any insights or observations you have from this week's message or from the scripture passages shared? Did anything stand out to you?*

*Read Matthew 28:18-20. In the Christian walk, who should be in charge? While it sounds very clear and is understandable, why do we find it so difficult to submit ourselves in obedience to God? Isn't submission more than just following orders? Where must obedience come from? (Deuteronomy 6:4-5)*

*Read Psalm 119:1-8 (maybe more) together... What happens when we embrace God's word fully? What are other avenues of help people run to? Why? Why is shepherding other to be submissive to the Word of God so essential?*

*Read Galatians 5:16-26 together... What battle is being depicted here? What is the Holy Spirit's role? How might we "live by the Spirit"?*

*Read 1 Corinthians 16:15-16 together... Why are we to be submissive not only to our leaders but to those brothers and sisters that work and labor with them? What do they labor for? Do you seek out the spiritually strong or do you look for people who will probably tell you what you want to hear?*

*Share any other insights, and close your time in Prayer.*
