## Discussion Guide

(for use individually, as a family or in your small group)

**Begin by reading 1 Peter 1:13-21.** Discuss any insights or observations you have from this week's message or from the scripture passages shared. Did anything stand out to you?

- How does being intoxicated by the passions of the world cloud our faith and open us up to spiritual defeats? What does that intoxication look like? **Read Titus 2:11-14.** What does being sober-minded look like?
- Why is it such a struggle to live with a settled hope as strangers and exiles in this world? What have you done to ease that struggle?
- **Read 1 Peter 1:14-19.** What reasons are listed in this passage that would help a follower of Christ be rightly motivated to maintain a settled hope?
- **Read Acts 2:22-24.** What was God's pre determined plan for our redemption? What was accomplished through this plan? How does this produce a settled faith? What has actually been settled?

**Discuss any further insights together and close in prayer.**
