## Discussion Guide

(for use individually, as a family or in your small group)

**Begin by reading Psalm 26.** Discuss any insights or observations you have from this week's message or from the scripture passages shared. Did anything stand out to you?

- **Read James 2:14-26.** What is the connection between real faith and works? What would it look like to have a divided heart when it comes to matters of faith? How has your heart been divided?
- **Read 2 Corinthians 6:14-7:1.** What does the alignment of our priorities reveal about what we value being a part of? Although we live in the world, why is it so important to be separate from partnering with the world?
- **Read Psalm 26:9-12.** Do you strive for firm footing in order that life would be less bumpy or do you desire firm footing so that you can stand blameless before God? Or both? Why or why not? Could you describe your footing as being faithful?

**Discuss any further insights together and close in prayer.**
