## Discussion Guide

(for use individually, as a family or in your small group)

**Begin by reading Luke 4:14-30.** Discuss any insights or observations you have from this week's message or from the scripture passages shared. Did anything stand out to you?

- **Read Acts 26:16-18.** What is the message we have been given through Christ? What is the Gospel? Why is the gospel so often mentioned with the poor, the captives, the blind, the oppressed?
- **Read 2 Kings 5:13-14 (consider reading 1-19)** Why is expressing faith so difficult for so many? We often expect only the "great things" from God that require little change on our part. Why is it so difficult to do the simple yet humiliating thing and be forgiven through repentant faith?
- **Read John 6:35-37.** The crowd in Nazareth became enraged and cast him out. What is Jesus' promise to us in this passage? Why do so many reject the Bread of Life?

**Discuss any further insights together and close in prayer.**
