Discussion Guide

(for use individually, as a family or in your small group)

Begin by reading John 6:27-40. Discuss any insights or observations you have from this week's message or from the scripture passages shared. Did anything stand out to you?

- **Read John 3:16-17.** Who has made a way for us to have life? To what extent did He go? How should we live in response to this amazing gift of "Immanuel" God with us?
- **Read Hebrews 9:25-26.** Jesus said He is the Bread of Life. How has He offered Himself as the bread? Can Christ fully satisfy what we need? Explain? Do you live like He has fully satisfied you? Why or why not?
- **Read John 6:47-51.** What does it mean to "eat of this bread"? How do we partake of Christ? How does Christmas reveal this bread? How can you better acknowledge these truths this Christmas?

Discuss any further insights together and close in prayer.
