Discussion Guide

(for use individually, as a family or in your small group)

Begin by reading Joshua 1:5-9. Discuss any insights or observations you have from this week's message or from the scripture passages shared. Did anything stand out to you?

- **Read Isaiah 41:10.** What makes us so unsure of following Christ and His ways? In what ways does God's promise to be with us strengthen us and drive out fear? Can you think of any other passages that would build on this?
- **Read Deuteronomy 30:11-14.** Are God's truths and commands out of reach for us? Why do we treat them as ambiguous? What does God want us to do with His word?
- **Read Joshua 23:14.** Is God trustworthy? Does He disappoint you? Explain. If God will not fail His people, how should that prompt them to live?

Discuss any further insights together and close in prayer.
