## Discussion Guide

(for use individually, as a family or in your small group)

**Begin by reading Matthew Acts 17:22-34.** Discuss any insights or observations you have from this week's message or from the scripture passages shared. Did anything stand out to you?

- **Read 2 Corinthians 5:17-21.** What does it mean to be an ambassador for Christ? Have you ever considered yourself an ambassador? What is the message that we should be carrying to the world?
- **Read John 4:7-15.** What was different or unique about the way Christ interacted with the Samaritan woman? Did she feel like an outcast or did she feel compassion from Christ from his interaction? What was Christ ultimately offering the woman, or anyone that would drink the water he provides? How have genuine relationships led to opportunities for you to tell others of the life Christ offers?
- **Read Acts 17:22-34.** Why do you think the people of Athens had an idol with an inscription "to the unknown God"? What are typical objects of worship in our community? How can we help others see the One worthy of worship?

**Discuss any further insights together and close in prayer.**
