Discussion Guide

(for use individually, as a family or in your small group)

Begin by reading John 13:34-35. Discuss any insights or observations you have from this week's message or from the scripture passages shared. Did anything stand out to you?

- **Read James 1:22-27 & 1 John 4:19.** What does loving obedience look like? How can we make sure that it is a matter of the heart and not a matter of legalistic requirements?
- **Read Psalm 25:1-10.** How should knowing God is faithful encourage and empower us to serve and speak to others? How have you experienced His faithfulness as you have served others? How does knowing that God is faithful help you pray?
- **Read 1 Peter 2:9-10.** If we have been saved by grace, through faith in Christ, what should our lives be about? How can people around us better see that we are a people who have received the mercy of God?

Discuss any further insights together and close in prayer.
