## Discussion Guide

(for use individually, as a family or in your small group)

**Begin by reading Titus 3:1-11.** Discuss any insights or observations you have from this week's message or from the scripture passages shared. Did anything stand out to you?

- **Read Philippians 2:3-11.** Do the words you speak typically reflect the humility of knowing Christ and wanting Him to be made known? Why or why not? How could you increase in humility and submit to God?
- **Read Galatians 5:1, 13-15.** How have we been made free? As Christ followers, since we are no longer slaves to sin, what are we supposed to use our freedom for? How is this liberating? In what ways have you seen and experienced this freedom in your own life?
- **Read Ephesians 4:30-32.** What are the foolish things we should avoid? What should be our motivation to love others the way God has asked us to?

**Discuss any further insights together and close in prayer.**
