**Discussion Guide**

**(for use individually, as a family, or in your small group)**

- **Begin by reading all of Mark 2:13-17.** Discuss any insights or observations you have from this week's message or from the scripture passages shared. Did anything stand out to you?
- What does Mark teach us about Jesus and His Kingdom in this passage?
- Why is it so astonishing that Jesus calls Levi to follow him? What does it tell us about the people of God's Kingdom?
- How is your faith in Jesus a demonstration that no one is too far gone from God's grace?
- In what ways are you tempted not to associate with "sinners"? Who do you need to reach out to that you may have thought is too far gone?

**Discuss any further insights together and close in prayer.**
