**Discussion Guide: (for use individually, as a family, or in a group)**

**Begin with prayer and read Daniel 9:4-19.** Discuss any insights or observations you had from this week's message or from the scripture passages shared. Did anything stand out to you?

- What is the importance of acknowledging God's greatness when we pray? In what ways do you exalt the Lord when you pray? Explain why. Why is confession important when we come to God? How can admitting our sin shape our posture when we pray?
- When we seek forgiveness, what should be the posture and attitude of the heart? How does humility and submission shape our own lives and righteous living?
- What does it mean to ask the Lord to act for His own sake? How is that different than asking for Him to act for our sake? Is there room for both? Explain. Why should this be such a deep part of our own prayers?

**Discuss any further insights together and close in prayer.**
