Discussion Guide: (for use individually, as a family, or in a group)

Begin with prayer and read Ephesians 5:15-33. Discuss any insights or observations you had from this week's message or from the scripture passages shared. Did anything stand out to you?

-Read James 1:19-21. What are the righteous ways to react or respond to others? What do they mean and how do we accomplish them? In what ways does this bring reverence to God?

-Describe a time when you put in a lot of effort and became really good at something. What kind of care went into it? If you stopped putting in the work, what happened to the skill? What are some ways you can refocus on the work within your marriage or other relationships?

Read Genesis 1:27 and Ephesians 5:33. What are the differences in the way men and women value love and respect? In what ways do you see this within your relationship? How could you improve loving your wife or respecting your husband?

Discuss any further insights together and close in prayer.
