**Discussion Guide: (for use individually, as a family, or in a group)**

Begin with prayer and read Deuteronomy 6:1-9. Discuss any insights or observations you had from this week's message or from the scripture passages shared. Did anything stand out to you?

**-Read Psalm 127:1-5.** What is essential in building up a home and family? When it comes to our children, whose are they? Who are they from? What will parents ultimately do with their children? How can you live life now in view of children being sent away from the home like arrows?

**Read Proverbs 22:15.** Where do foolish decisions come from? What is the difference in discipline that tends to the heart and discipline that tends only to the actions? How can we be more attentive to the heart?

**Read Proverbs 1:1-6.** What is the benefit of receiving and practicing the Lord's instructions? In what ways have you been tempted to operate from outside Biblical instruction when it comes to parenting? Explain.

Discuss any further insights together and close in prayer.
