Discussion Guide: (for use individually, as a family, or in a group)

Begin with prayer and read Proverbs 3:1-12. Discuss any insights or observations you had from this week's message or from the scripture passages shared. Did anything stand out to you?

-Read Matthew 5:17. What are differences between modeling behavior and molding someone to behave? Where does Godly fruit come from? Can you produce it for your kids or others? How does modeling it have results in others?

Read Ephesians 2:1-5. What are the two identities talked about in this passage? Why should these be so focused on as we parent or even talk with friends? Why should parenting be seen as a heart rescue mission?

Read Proverbs 22:15. What is the message of this passage? What does the "rod of discipline" look like? What is effective discipline and what is not effective? Why are punitive consequences important?

Discuss any further insights together and close in prayer.
