

**Announcement:**

Please talk with your group about our Christmas initiative and how you as a group can bless the foster families of La Crosse. Remember our church goal is 200 presents.

**Icebreaker:**

- How would you define the word peace?

**Sermon & Scripture Discussion - Luke 2:8-14**

- What do you think the main point of the sermon this week was?
- If there was one thing from the sermon or scripture this week that challenged you or that captured your attention, what was it? Why?
- Is there anything you disagreed with, that surprised you or that you were unsure about?
- As you looked at this week's passages, how would you answer these questions:
  - What do these passages tell us about God?
  - What do these passages tell us about humanity/us?
  - What do these passages tell us about the life God desires for us?

**Going Deeper**

- How did God move through these scriptures or this sermon in your life?  
Is he:
  - Directing you to change something?
  - Confronting you about Sin?
  - Encouraging you with a promise?
  - Revealing something new about His heart?
- What do you think it looks like to start to live out the truth in this message?

**Prayer Time:** Spend some time praying for each other and for any needs that were shared in the group today.
