

## **Christmas In July - Discussion Questions**

### **Part 01. Tuning In**

**(Hebrews 1:1-4)**

**1.**What does it mean to you that God's final and decisive message is not a rule or a philosophy, but a Person—Jesus Christ? How does this change the way you think about your relationship with God?

**2.**What are some of the loudest voices competing for your attention right now? Which of those voices most often distracts you from listening to Jesus?

**3.** What practical habits help you "tune in" to the voice of Christ? What tends to create spiritual noise in your life, and how can you intentionally reduce it this week?

**4.** How does knowing that Jesus has already completed the work of salvation affect the way you handle fear, pressure, or uncertainty? What is one specific way you can live this week in response to His finished work?
