Focused Scriptures
Numbers 3, 6, 11, 13, 14

Numbers 30:2 When a man makes a vow to the Lord, or swears an oath to bind himself by a pledge, he shall not break his word; he shall do according to all that proceeds out of his mouth.

FOCUS QUESTION: How has the LORD made provision for God's people, including providing, protecting, and redeeming them?

Step 1

Lesson Preparation: LOOK at the text • As you read through a chapter or two of Numbers at home in preparation for our weekly meetings, you will answer a series of Who / What / Where / When / Why / How questions which will help you investigate and understand what the author is trying to communicate in this section of the book. You will also have the opportunity to see how this passage connects to other parts of the bible, and to reflect on how this passage teaches you to worship God better.

Step 2

LEARN from the text • When we get together at our weekly meetings, you will examine the passage in more depth and from different angles along with your table group, to see what else you can learn about its meaning and its significance.

Step 3

Teaching - Draw out biblical themes and application points.

Step 4 –

LIVE in light of the text • After the time of teaching, you will have an opportunity to answer application questions at your tables. As we grow in our knowledge of God and his word, it should affect our attitudes and our actions. This discussion time will naturally lead into a time of prayer, since we need God's help to live as his people.
