Ch. 16 – Envy and jealousy created rebellion. Pride, greed and gossip were very costly! Intercessory prayer saved many!

Ch. 17 – There is always a connection between God's choice and our fruitfulness. We must bud, blossom and bear fruit.

Ch. 18 - Take your place and render your service and offerings with utmost devotion and humility.

Life Lessons:

Repentance (ongoing) is a necessary part of a growing relationship with the Lord.

Trusting God and following His instructions are essential for successfully completing your journey through life.

When facts and realities are against you, you are at a defining moment. Choose to believe God and practice His Word.

Use words to speak life. Do not be involved in negative and complaining conversations, point people to what God has said.
