

Ch. 34 – God gives Divine Arrangements and Assignments for how the people were to enter the land. God gave them A LOT of land and division and boundaries were set. The Lord is all about the arrangements, boundaries and set ups in our lives.

Ch. 35 – God continues to show and set up a system of justice and mercy by creating refuge cities...because the Israelites were naturally fierce, rebellious and vindictive.

Ch. 36 – The people are preparing for the next move of God.

The book of Numbers closes with God's people positioned to enter the Promised Land. An 11-day journey took them 40 years and their wandering in the wilderness has come to an end. Now they are preparing for a major move of God! Let's prepare for a major move of God in our lives!

Apostle Paul said the events described in Numbers are examples that warn us and help us to avoid their mistakes and learn lessons from their choices. (1 Corinthians. 10:1-12)

Ezekiel 37: 1-14 – The Valley of Dry Bones
(These are dry bones of the House of Israel)

- Can these dry bones live?
- What is the meaning of dry bones coming to life?
 - Israel believed it was over, no hope of restoration.
 - God restores life to things once destroyed & dead.
