OPERATION CHRISTMAS CHILD

We are excited to offer a new way to pack an Operation Christmas Child shoebox completely online. Our Build a Shoebox Online Goal Page is dedicated in memory of Mrs. Donna Lamb. Mrs. Donna had a love of Operation Christmas Child and looked forward to participating each year.

Build a Shoebox Online is a convenient way to pack your Operation Christmas Child shoebox completely online. You choose the age and gender of the box you would like to pack and choose from a selection of toys and other items available for a suggested donation of \$25 per box, which includes shipping. You can even send a personalized note and upload a photo. To get started, just point your phone's camera at this QR code and follow the link that is displayed.

Shoeboxes built online go to children in some of the hardest-to-reach places—whether deep jungles, city slums, steep mountainsides, or remote islands. Many of these areas are resistant to the gospel and are home to numerous unreached people groups, some of whom have never heard the name of Jesus Christ.
