

120 Day Challenge

March 1st - June 28th

2020

Dear Church Family

Thank-you so much for partnering with us for our first Home Point initiative! We are excited to have you on board and look forward to the impact this will have on your family.

One of the core values of Hillside is to strengthen and resource families so that parents and grandparents can fulfill their God-given purpose of passing on the faith to the next generation. We are excited to partner with you!

This kit is our gift to you with the hope that the information included inside will foster intentional conversations and positive experiences in your home.

In order for the impact of this initiative to be significant and measurable, it is vital that you take the time to read the enclosed "Intentional Parenting" brochure and complete the Faith@Home appraisals with your children and teens. By doing this, you will be able to gain perspective on how each member of your family views their relationships with each other and with God. This will be a great starting point as you begin this 120 Day Challenge together!

Home Point exists to increase the likelihood that...

*Young adults prepare for a future marriage
Couples build a life-long, thriving marriage
Parents introduce their children to Christ
Parents launch their teens as committed believers
Grandparents point the next generation to God*
