

# FUTURE CHURCH: *Keys to the future*

- **Memorable Takeaway:** You are the torchbearers of faith for your children. The church's future begins at home.
- **Family Bible Study:**
  - **Scripture:** Matthew 16:13-20
  - **Thought:** Jesus is the rock that the church is built on. When we follow Jesus, we help build the church too.
  - **Question to Ponder:** How can you help build the church like Jesus wants us to?
  - **Prayer:** Dear Lord, thank You for making us part of Your church. Help us to always follow Jesus, our rock, and to build the church with love and faith. Amen.
- **Family Dinner Table Activity:** Using building blocks, ask family members to construct their vision of what a church looks like, with Jesus as the cornerstone.
- **Additional Activity:** Create a family time capsule. Examples to put in might be prayers for the future, pictures of your family at church, find memorabilia or pictures that show memories, events or milestones in the church or your faith journey.
