

# ONE SHEET – Crying in the Wilderness – October 29, 2023

Sometimes we need reminders of all that God has done since before the beginning of time.

Sometimes we need a reminder of what is our responsibility and what is God's.

Sometimes we need a reminder of our role in the grand epic of God.

Use this week's ONE SHEET as a daily reminder – not just this week – as you intentionally plot your course forward as God's ambassador.
