Kid Venture

Kid Venture's vision is to connect kids to God and others. We believe this starts with helping them learn who God is, how He wants to know them, and lead them in their everyday life which all starts with Jesus.

Volunteers play a crucial role in connecting kids to God and others. Volunteers build relationships with kids in a fun, interactive way, which helps them build a platform to invest in their spiritual journey.

Kid Venture Preschool Sunday morning format- Our Kid Venture Preschool consist of Birth - 5 Years Old. On a typical Sunday morning our kids enter in with a time of free play where they connect with other kids through a variety of games, block building, crafts, etc. Once the service starts children participate in worship in a large group setting and then continue through Bible stories and a monthly memory verse, as well as fun activities that incorporate the the bible story theme, crafts, and a snack!

To serve in Kid Venture Preschool volunteers must complete a background check, a volunteer application, and the training required for the position you are volunteering for. Please contact the Preschool Pastor - Kristen Walker at kristen@summitheightsfellowship.com to apply
