"Train up a child in the way he should go"

2023

## From the Director's Pen

### An Investment in your child's future!

Valley Christian Academy has an **ALL-DAY Kindergarten** – 8:30am-3:00pm! We even offer morning and after school day care for an additional, but small fee.

Classes are small with every student learning Bible, reading, phonics, spelling, math, science, character building, computers, handwriting, and so much more! This is definitely an investment in your child's educational future!

Registration is due no later than Thursday, March 16<sup>th</sup> – paperwork and the registration fee – check payable to VCA for \$300.00. I will then receive a copy of your registration form from the VCA office and will Kindergarten test your child. The test is a developmental test with some academics to see if your child is kindergarten ready. The test fee is \$20.00.

Classes fill up fast so register early! We do limit how many children in each class.

Tuition is \$520.00 per month, September, 2023 – June, 2024. Books are \$425.00. Registration fee and book fee are non-refundable.

VCA is accredited by the Accrediting Commission for Schools for the Western Association of Schools and Colleges.

To showcase our Kindergarten, we will host a Kindergarten Preview Night on Thursday, March 16<sup>th</sup> at 6:30pm in our Fireside Hall. You will see firsthand what our kindergarteners have learned so far this school year. Seating is limited so adults only please! RSVP to Mrs. Wilson.
