"Train up a child in the way he should go"

2023

## From the Director's Pen

### Summer is Here!

As you all know by now, we will no longer be Valley Christian  
Preschool.

We are beginning a new era as Valley Christian  
Transitional Kindergarten.

We will run the same K4 program using the A Beka  
curriculum that we have used for the last 25+ years,  
getting the students ready for Kindergarten.

We still have openings for children who turn 4 years old  
by 9/1 and for students who turn 5 after 9/1.

We also still have space available for VCA students for  
Summer Day Camp

Give us a call!

## Reminder:

### Back to school can mean back to germs!

If your child wakes up with a fever, stomach ache, running nose, diarrhea, vomiting or has had any of the symptoms the night before, **PLEASE** keep them home to make sure they are **NOT** sick. We do have a 24 hour rule. This really helps to cut back on the spreading of germs to children and the teachers!

**Please make sure your child's clothes still fit!**

**Please make sure you have at least one change of clothes in your child's cubby at ALL times! Otherwise we will have to call you to pick up your child or bring us clothes if they have a potty accident.**

**Please remember to take home your child's mat, blanket and pillow every week to be washed! This helps cut down on illness!!**
