SECONDARY CHURCH INFORMATION VARIANCE AGREEMENT

1. I have read and understood the doctrinal statement of faith of Granite Baptist Church included with this letter.
2. I understand these beliefs may be taught or otherwise addressed in any class at any time. I.E. our view on speaking in tongues (and other doctrinal beliefs) may come up in a History class not just Bible class or a chapel message.
3. I understand that I/my child will not use the privilege to attend GBS as a platform to criticize the doctrinal position of GBC, GBS, its faculty or its students, or to incite distrust or doubt among the student body regarding these doctrines.
4. That I understand failure to abide by this agreement would constitute grounds for dismissal, or refusal for re-enrollment for the next school year.
