

Granite Baptist Academy

Secondary Supply List • 2026–2027

How to use this list

Some supplies depend on the exact classes your student is taking, and a few classes combine grades or are chosen by the student (for example, Business Math or Pre-Calculus). So this list comes in three parts:

- ☐ **Parts 1 and 2 — buy anytime.** The same every year regardless of schedule.
- ☐ **Part 3 — buy once you have the schedule.** These supplies are tied to specific classes; check them against your student's confirmed schedule.

Part 1 — Every Secondary Student (7th–12th)

The same for every secondary student. Buy anytime.

- ☐ **5 three-ring binders (1"), each with 5 dividers** — one each for English, History, Science, Math, and Bible (please label them)
- ☐ Book bag
- ☐ 5 packs of notebook paper (college-ruled, reinforced)
- ☐ Pens (black or blue)
- ☐ 1 box of #2 pencils with eraser (or mechanical)
- ☐ Metric / standard ruler
- ☐ P.E. uniform
- ☐ Sneakers for P.E. (must have white soles)
- ☐ Assignment pad (optional; available at the School Office for \$5)
- ☐ King James Bible (not New King James; available at the Office for \$6). **A digital Bible is not allowed.**

Part 2 — Classroom Consumables by Grade

These are shared classroom supplies for the secondary wing. To keep the cost about the same for every family and still cover the whole student body, each grade brings one item rather than everyone buying a little of everything. Buy anytime.

Grade	Please bring (one item, to the classroom pool)
7th	1 large box of facial tissue
8th	1 container of disinfecting wipes (about 75 count)
9th	2 rolls of paper towels
10th	1 box of plastic cutlery — 100+ pack of spoons and forks
11th	1 bottle of hand sanitizer (8–12 oz)
12th	1 large box of facial tissue

These are contributions to a shared classroom pool, not personal supplies. The office restocks as needed during the year.

Part 3 — By Class: Check Your Schedule

Buy these only if your student is enrolled in the class listed. Confirm against the schedule first.

Math (varies by class)

- ☐ **Math Fundamentals:** compass, protractor, and graph paper
- ☐ **Pre-Algebra:** scientific calculator (TI-30XS or TI-36X Pro, hand-held) and graph paper
- ☐ **Algebra I:** scientific calculator (TI-30XS or newer; must be hand-held)
- ☐ **Algebra II:** graph paper, scientific calculator (TI-30XS or newer)
- ☐ **Pre-Calculus:** scientific calculator (TI-30XS or TI-36X Pro, hand-held) and graph paper
- ☐ **Business Math:** scientific calculator (hand-held, not online)

Spanish

- ☐ **Any Spanish class (I, II, or III):** Webster's New Spanish Dictionary

Electives (Periods 6 & 7)

- ☐ Some electives carry a material fee (for example, shop, art, and culinary). The fee is billed to your student's account; amounts and any additional supplies will be provided with the schedule.

Note: *Geometry, Physics, and Chemistry are not offered in 2026–27 and return in 2027–28; supplies for those classes will be added when the courses resume.*

* Lunch boxes, book covers, book bags, and other related items should always display good taste. Supernatural, cultish, or worldly themes (K-pop Demon Hunter, Hazbin Hotel, Jujutsu Kaisen, GTA, zombies, profanity, etc.) must be avoided.
