

February 2026

Outreach at White Memorial shows our members' faithful response to God's grace. We serve by working together with partners, locally and globally, building relationships, and sharing our time, talents and financial resources.

We extend our deepest gratitude to **Linda Nunnallee** for her exceptional service and unwavering dedication in leading Outreach at White Memorial Presbyterian Church as the interim director for over two years. Linda, your compassionate leadership and tireless efforts have profoundly touched our community, fostering growth and connection in countless ways. Your thoughtful commitment to serving others has been an inspiration to us all, and we are truly thankful for the positive impact you've made. As a cherished church member, we are thrilled that you will continue to be actively involved in Outreach. We wish you a wonderful retirement filled with joy and fulfillment. Thank you for being a guiding light in our outreach endeavors!

Upcoming Event

Agency Panels February 25 and March 25 in Geneva Hall

The Allocations Committee invites you to join us for two upcoming agency panel discussions that promise to be both enlightening and engaging! At WMPC, we cherish our commitment to fostering community connections, making these events a perfect reflection of that.

On Wednesday, **February 25**, we will focus on the pressing issue of food insecurity featuring agency partners: A Place at the Table, Meals on Wheels, Wake Relief and Oak City Cares. On **March 25**, our panel will delve into the needs of children and youth featuring agency partners: Note in the Pocket; Loaves & Fishes and Wake Monarch. Both evenings we will meet in Geneva Hall.

These gatherings are not just events; they are opportunities for us to come together, learn from our dedicated agency partners, and explore how we can collectively support their vital work in our community. The evening will kick off in Geneva Hall with the **Wednesday Together Dinner at 5:30 p.m.** **You must register in advance for dinner** allowing us to share a meal and strengthen our bonds before diving into thought-provoking **panel discussions at 6 p.m.** Each panelist will share their insights, and we encourage you to bring your questions and perspectives to the interactive Q&A session that follows. Let's embrace this chance to engage, learn, and collaborate in support of the agencies that are making a difference in the lives of many Wake County residents.
