

More Than Simple Words

John 19:28

Pastor Dave Morley

In what could be overlooked as an insignificant moment on the cross, we see an Uncommon Savior declare; "I thirst."

When Jesus spoke these simple words, it revealed:

1. the _____ of his _____.

2. the _____ of His _____.

3. His desire for _____.

For Small Group discussion & application this week:

As you examined John 19:28 and spent time in God's word this week, what did He reveal to you personally?

How does it impact your relationship with the Lord when you think about Jesus taking on human flesh to identify with your struggles and take on your sin?

Of all the messianic prophecies, which stands out to you as most significant to you & why?

Sin separates us from God. As a follower of Jesus our sin breaks fellowship and intimacy with Christ, yet He desires that intimacy with us. What habits, rhythms or practices do you have that keep you intimate with Christ where you can enjoy Him fully?

What needs to change for you to grow in deeper relationship with Christ? How can others help you in that journey? Do you need to reach out in honesty and ask someone to come alongside you for encouragement and accountability?

What did you take away from the message that you didn't get on your own?

Looking ahead: Next Sunday, April 23, we continue our Uncommon Savior series looking at the seven sayings of Jesus from the cross.

Take time this week to examine Luke 23:39-43. Consider the significance of the dialogue along with each of the words or phrases and who is speaking. Read, study the context, pray and note your observations.
