For Small Group discussion & application this week:

As you examined Luke 23 and spent time in God's word this week, what did He reveal to you personally?

How has your life changed since coming to know Jesus? Spiritual transformation often begins in our attitudes and actions.

How have you experienced brokenness, or felt wrecked, by the overwhelming sense of God's grace?

Do you enjoy God fully? Do you spend time with Him, seek guidance and instruction from Him throughout the day in conversational prayer? Are you listening for His voice?

How has your relationship with Christ influenced your relationship with people? Has there been a change in your heart and attitude toward others? Have you experience forgiveness or reconciliation? Do you see people as God sees people?

What did you take away from the message that you didn't get on your own?

Looking ahead: Next Sunday, April 30, we continue our Uncommon Savior series looking at the seven sayings of Jesus from the cross in Matt 27:46, and Mark 15:34.

For context and setting read and examine Mark 15:33-39.

Consider the significance of the dialogue along with each of the words or phrases and who is speaking. Read, study the context, pray and note your observations.
