Luke 23:44-46

Pastor Scott Lehr

2. The _____ you are seeking is found in His hands.

3. The _____ you are seeking is found in His hands.

For Small Group discussion & application this week:

Based on your personal time in Luke 23 this past week, what did God reveal to you?

How have you found a greater sense of security as you have grown in relationship with Jesus?

Where have you sought purpose, value or significance in life? How does growing in personal relationship with Jesus change those pursuits and desires? Do you enjoy God fully - every area of life learning to love Him more?

How have you grown in intimacy with Jesus over the years? How have you learned to identify areas that God is challenging you to grow beyond your comfort?

What did you take away from the message that you didn't get on your own?

Looking ahead: Next Sunday, May 14, we continue our Uncommon Savior series looking at the seven sayings of Jesus from the cross in John 19:26-27.

For context and setting read and examine John 19:12-30. Read, study the context, pray and ask God to give you personal insight on this passage.

Consider the significance of each of Jesus' words in verses 26-27. Break down the verse and note your observations over each word.
