

From Love Missing to Love Overflowing Galatians 5:22 Pastor Scott Lehr

For Small Group discussion & application this week:

Based on your personal time in Galatians 1:11-24, what did God teach you?

How do you define biblical *love* as used by Paul in Galatians 5?

Consider our Mission Measures to examine *how* God is growing you personally in authentic, biblical *love*.

- How am I growing in my private relationship with Christ to know and understand biblical love?
- How is the Spirit teaching me to love those nearest to me?
- How am I demonstrating love publicly as a display of the grace and gospel of Jesus?

Galatians Bible Reading Plan for OVERFLOW Series.

Looking ahead to Sunday, May 11.

Use the Southbridge Journaling method to examine Galatians 2:1-10. As you read the passage, simply ask and answer the questions about the text for that day.

(there is also a video link teaching this method in the 4-Week Disciple-Making Starter Guide)

SAY - What does it say? What stands out to me as I read? is there a word that caught my attention?

OBSERVE - What do I observe in the passage? How does it fit the theme of Paul's letter or the idea of the verses around it?

UNDERSTAND - What do I understand or not understand? Are there words I need to define?

TRUTH - What truth is taught? Is there a command, promise, prayer, example or caution?

HOW - What is God saying to me personally and how I am supposed to grow because of this truth?
