Financial Values

We will **celebrate** all kinds of generosity as we give our time and service toward God's kingdom purposes. As a church, we commit to **transparency** in the use of funds. We value **participation**, asking everyone to be part of the vision. We **trust** lives will be changed as we step out and give.

Looking Ahead

We are currently funded 60% (we are still receiving outside support to make our budget.) We are aiming to be 100% funded by July 2024. This is a big goal, but we believe that God calls us to live generously because it changes our lives and the lives of others. Each gift to a church plant helps momentum build in a highly missional context. Thank you for your gifts in 2023. We are trusting God for the fruit as we faithfully serve God with the resources we have.
