YOUR PART AS A MEMBER

Committed to a Relationship with God

We are saved by God's Grace, through faith in Jesus. We must admit that we have sinned, acknowledge that our efforts could never restore our relationship with God, and lean wholly upon Jesus's sacrifice.

One Who is Baptized

We are baptized by immersion as our first act of obedience. Baptism is a proclamation of our faith in Jesus and a picture of the gospel.

Committed to Relationship with Others

We invest in personal soul care and intentional relational small groups as we continually mature in our faith.

Love the Church by Serving

We serve others as an expression of worship to God and an act of love to one another.

Love The Church by Tithing

Our financial offering is an act of faith declaring that we trust God as our provider and for our future provision more than the resources in our hands. By bringing our financial resources, we worship God, provide a testimony of our faith, and support our church and ministry operations.
