

# KINGDOM BUILDERS

SPRING 2026 REPORT

"Bring the whole tithe into the storehouse, that there may be food in my house. Test me in this," says the LORD Almighty, "and see if I will not throw open the floodgates of heaven and pour out so much blessing that there will not be room enough to store it." **Malachi 3:10**

# How To Use This Report

As followers of Jesus, we are all called to give 10% to the Lord as an act of obedience and worship, but you are receiving this report because you have shared that you feel God has gifted and equipped you with a passion to give above and beyond. Thank you for choosing to respond to the invitation from God to give over and above the biblical tithe. We have experienced the promised blessing of Malachi, and are excited about the opportunity to do more together for the Lord.

**The Spiritual Gift of Giving:** This team is for those who feel called to accelerate the vision God has given to us at Daybreak by giving above and beyond the tithe to advance His Kingdom. When you joined this team, you identified that God has given you the spiritual gift of giving (Romans 12:6-8). We created the Kingdom Builder Team as a way to partner with, and invest in, those who have this spiritual gifting.

**How to Use This Report:** This is our opportunity to invest in the vision God has given us. The ask is simple! Take time over the next few weeks and pray through this report. Here are three steps to consider:

**Read** through the report.

**Pray** through the prayer points and ask God how you can respond.

**Act** on whatever God leads you to do.

You are looking at the E-ROI, an Eternal-Return on Investment. You are living out the promise of Scripture as you invest in eternity.

It is a privilege to work alongside you as co-laborers, building God's Kingdom together. We are incredibly grateful for you and all of the people God has brought together at Daybreak to accelerate His vision. Thank you for partnering with us on this mission!

*- The Daybreak Leadership Team*

# Lane One Daybreak Projects

The Daybreak Projects Lane is focused on the capital projects we are working on at Daybreak Church. Our goal is to keep our buildings and facilities on pace with our church's growth while at the same time working toward a debt-free position.

## Fully Funded Projects

### **Solar Power - Fully Funded at \$250,000**

As a result of this investment, Daybreak can realize a savings of \$63,000 per year. Over a 10-year period, it would add up to over \$500,000 in savings, which will go to further expanding and advancing the mission God has called us to accomplish.

### **Benevolence Fund 2026 - Fully Funded at \$30,000**

At Daybreak, we show the love of Jesus to individuals in need by offering benevolence. Our Benevolence Fund allows us to offer a little support to people experiencing financial hardship.

## Current Projects

### **Debt Elimination - \$7,604,656.60 in Remaining Debt**

We currently pay \$24,000 per month towards the principle of the loan on the Worship Center. This is our only outstanding loan, and the Elders and Leadership Council are committed to not taking out any additional loans on the Carlsbad property.

## Because You Gave

**Benevolence** - Through the Benevolence Fund, 20 families were served this quarter, finding hope in crisis, having tangible needs met, and experiencing the love of Christ in meaningful ways.

**Debt Reduction** - Because of the generosity of our church family and God's guidance, we continue to lower our debt— creating greater financial freedom to invest in ministry, care for people, and reach our community in new ways. Each step forward is a reminder of His provision.

**Solar Energy** - By investing in solar energy, our church will lower utility costs and redirect those savings into ministry— caring for people, supporting missions, and stewarding God's creation well.

## Prayer Points

**Benevolence** - For the Benevolence Fund to be placed in God's hands and used for His purposes. Ask Him to multiply it, to give wisdom to those stewarding it, and to let every gift become a testimony of His grace.

**Debt Reduction** - Pray for wise stewardship, for strengthened faith, and for the resources needed to reduce debt and expand the work of God's kingdom.

# Lane Two Next Generation

This lane is focused on the Next Generation projects we are working on at Daybreak Church. We have a passion and call to invest in, and prioritize kids, youth, and young adults ministries. We are committed to continually pushing forward as we fight for the next generation and resourcing these ministries with new initiatives and strategies.

## Fully Funded Projects

### **Youth Outreach Programs for 2026/27 - Fully Funded at \$50,000**

Continued funding for Campus Clubs, school outreach and support for two Future Nights where students from all over North County are invited to encounter the love of Christ.

### **Camp Scholarships - Fully Funded at \$10,000**

At Future Camp, students encounter Jesus in life-changing ways. This camp scholarship makes attending camp more accessible for students to experience God's calling, regardless of the cost.

## Current Projects

### **Youth Leadership Development & Mission Trip Program for 2026/27 - \$0 of \$25,000 Funded**

The development of a discipleship program that equips 8th graders for high school and 12th graders for college and beyond as Christ followers.

## New Projects

### **Regional "For the Future" Conference for 2026 - \$0 of \$20,000 Funded**

Training youth pastors around the nation how to establish Campus Clubs and provide grants to youth pastors who want to implement this in their ministries.

### **Kids Classrooms at the Meadowlark Campus - \$0 of \$618,000 Funded**

This project will allow us to align the Daybreak Kids experience at the Meadowlark Campus with the standard set at our Carlsbad Campus and expand the space to accommodate anticipated growth.

### **Kids Playground at the Meadowlark Campus - \$0 of \$500,000 Funded**

We want to create a desirable, safe, and nurturing environment where kids can play, and families can connect throughout the week. We pray that this creates a place the local community enjoys, exposing them to the love of Jesus and a church they can call home.

## Because You Gave

**Scholarships** - We were able to provide scholarships to over 40 students for YTH Future Camp!

**YTH Outreach** - We were able to put on Future Night this past October & saw over 100 first-time students and 50 students get baptized the following week!

## Prayer Points

**Daybreak YTH** - For God to continue to open doors in public schools, especially within the middle schools in North County.

**Daybreak YTH** - Ask for God's favor for our upcoming Future Night at Carlsbad High School on March 28th, and that the night will continue to spread Jesus' love throughout the youth of our area.

**Daybreak Kids** - Ask for God to bring continued growth to the ministry at the Meadowlark Campus— strengthening the families who currently attend and drawing in new families.

"Daybreak Club has been such a blessing in my high school years. It's more than just a club, it's a place where I've found true community with people who love Jesus. We encourage each other, grow in our faith together, and strive to be a light on our campus. I'm so grateful for the joy and support it brings."

-Kayla Waters, 11th Grade

# Lane Three Daybreak Leadership College

This lane is focused on our calling to raise up the next generation of Christ-centered church leaders, missionaries, business leaders and world influencers. These projects are focused on continuing to establish Daybreak Leadership College (DLC) as a one-of-a-kind ministry learning and preparation institution, while ensuring the cost remains affordable to allow these future church leaders to launch ministry careers with minimal debt.

## Fully Funded Projects

### **DLC 2025/26 Operating Costs - Fully Funded at \$295,000**

This will cover the staffing and operating expenses incurred in running Daybreak Leadership College while allowing costs to remain low to the students so they do not carry significant loans into ministry careers.

### **DLC 2026/27 Scholarship Fund - Fully Funded at \$60,000**

This fund allows us to offer scholarships to help make college and ministry a more affordable reality for ministry-minded students at DLC who need financial assistance.

## Current Projects

### **DLC Dormitory Site Development - \$0 of \$1,350,000 Funded**

There is a 3-step process with the county to pursue approvals for building the dorms. There is an initial Consultation Meeting, followed by a Major Project Pre-Application Meeting. Finally, we will need to submit the Major Use Permit in order to prepare for and gain approval to modify the property. We are working with a zoning attorney, architect, and land developer to push this initial phase through the county offices for approval.

## New Projects

### **DLC Scholarship Endowment**

All gifts given to this project will go to ensuring that students in need are able to graduate DLC with the least amount of debt possible. Eventually, we would like to build an endowment that would fund this in perpetuity.

### **DLC Dormitory Construction Phase 1 - \$0 of \$13,000,000 Funded**

Our desire is to eventually house 100 students, while creating a community campus experience that supports our mission to train up the next generation of pastors and missionaries, while keeping costs low, so they don't carry large debts into a ministry career. After meeting with the County, we anticipate construction will begin in the next year.

## Because You Gave

**Growth** - We have been able to reach and engage more young adults called to ministry, seeing our program grow from 17 to 34 full-time students this year! We eagerly anticipate welcoming a student body of over 50 students as we head into the fall.

**Impact** - We are empowering our students as they learn and do ministry across six strategic areas of ministry (Kids, Youth, Adult, Worship, Production and Media/Design), dedicating 16,320+ hours to impact thousands of lives for God!

## Prayer Points

**Students** - That the Holy Spirit would continue to direct our efforts to reach and engage students looking for next steps in their pursuit of God's calling on their lives to ministry.

**Strategy** - That strategic efforts to further develop and shape our college for the significant growth and scope we are anticipating this coming fall would be fruitful and effective, positioning us for greater impact.

"When I came into DLC, I was only five months into giving my life over to God. My prayer was for Godly community. The relationships and the brothers that I have been able to make have literally been life changing. DLC has also shown me that when God speaks something, even if logically it makes no sense in happening, God will show up and be Jehovah Jireh.

When I arrived, I was in debt and was unsure if coming up with the finances to stay involved in DLC was a possibility, but a wise man told me, 'If it's God's will, it's God's bill,' and he was right. I am now debt-free and school is paid off because of God's supernatural provision."

-Tristan MacMahon, Senior  
Organizational Management BA (May Completion)  
Adult Ministry Practicum

# Lane Four Church Multiplication

Daybreak has a long history of supporting church multiplication through the resourcing of church planters, as well as planting churches— most recently having planted Discover Church in San Marcos. This lane is focused on future campuses and church plants in the San Diego area. This includes campuses we will be launching, as well as church plants we feel called to financially support.

## Fully Funded Projects

### **Daybreak Meadowlark Campus Worship Center Construction Phase 1 - Fully Funded at \$500,000**

This initiative is to cover the costs of launching a new campus with preparations such as a new Worship Center, bathrooms & classroom renovations.

## New Projects

### **Meadowlark Campus Construction Phase 2 - \$0 of \$750,000 Funded**

To renovate and expand the bathroom into two separate bathrooms for both men and women, with multiple stalls and meeting ADA compliance.

### **Meadowlark Campus Technical Installation Phase 2 - \$0 of \$132,000 Funded**

For audio-visual needs in the Lobby and entrance to the Worship Center. This will finish off the technical needs to bring the campus Worship Center up to the Daybreak standard, providing a warm and welcoming experience to families as they enter, leave, and connect around the services.

### **Santa Barbara Church Plant - \$0 of \$30,000 Funded**

To support a church plant in Santa Barbara with Pastor Jude and Sierra Fouquier in collaboration with The Father's House network.

## Because You Gave

**Meadowlark Chapel Renovation** - The chapel renovation at Daybreak Meadowlark is underway and tracking to be completed by Easter. We are expectant that this revitalized space will engage both current and newly anticipated attenders with its modern, yet traditional feel.

## Prayer Points

**Community Influence** - Pray that Daybreak Meadowlark would be a strong pillar of God's love in San Marcos— shining with truth, grace, and compassion, and drawing the community into the hope and transforming power of Jesus.

**Construction** - Pray over the construction at Daybreak Meadowlark, that the process would go smoothly, workers would be safe, and the project would be completed in time for Easter so the space can be ready to welcome the community.

**Go First Team at Daybreak Meadowlark** - Pray for the team and families who are choosing to make Daybreak Meadowlark their home— that God would unite them, strengthen their faith, and use them to reflect Christ's love in the community.

**Daybreak Meadowlark Chapel  
Mid-Demo**

**Daybreak Meadowlark Chapel  
Mid-Renovation**

"I am honored and grateful to be part of God building His Kingdom through our church in a new area. We are excited to serve one of the fastest growing communities in our county. We believe this campus will be a powerful extension of what God has been doing through Daybreak over the last few years!"

**- Pastor Chandler Corzine  
Daybreak Meadowlark Campus Pastor**

# Lane Five Missions

Daybreak Church has been committed to local and international missions from its inception. We see this as a crucial part of the fulfillment of the Great Commission that Jesus gave us to make disciples before leaving earth (Matthew 28:19). This lane allows us to accelerate the missional impact of our church.

## Fully Funded Projects

### **Water Well in Kenya - Fully Funded at \$43,000**

Working alongside our brothers and sisters in Christ at Cornerstone Faith Assembly, in partnership with Africa Thriving, we drilled a well at Oloshaiki Church, to bring water and share the Gospel with remote villages in the Maasai land.

### **San Diego Rescue Mission 2026 - Fully Funded at \$35,000**

Renovation of an additional apartment in the downtown SDRM center to support those in need getting back on their feet.

### **Church Planter Training in East Africa - Fully Funded at \$50,000**

Continue to partner with Cornerstone Church and Dynamic Church Planters International (DCPI) to help equip more pastors to share the Gospel in remote areas throughout East Africa. Through their program, each trained leader is expected to plant an average of 2.55 churches over the course of 5 years based on past data.

## New Projects

### **Meal Packing with Kids Around the World 2026 - \$0 of \$50,000 Funded**

Kids Around The World is working to not only address hunger but to foster unity, and bring hope by providing food and sharing God's love with others. \$50,000 covers the cost of 150,000 meals we can share with children in need. Last year, our church packed 100,000 meals together on a Sunday!

### **Church Planter Support with SVS Equipping Seminary in India - \$0 of \$50,000 Funded**

We have a new partnership launching with SVS Seminary in the Kerala province. They have sent over 3,000 seminary-trained pastors to hostile and unreached areas across India, and into Pakistan and Bhutan, which do not have replicating Christian churches, but rather are primarily occupied by the muslim and Hindu population.

### **Build a Church Structure in Tiaty - \$0 of \$15,000 Funded**

Construct a building for the new church we have adopted in Tiaty, Central Kenya. This is a hostile tribe, who have never heard the name of Jesus, that has cautiously welcomed a DCPI-trained Pastor in to establish a church. Since then, 42 people in their tribe have given their lives to Christ.

## Because You Gave

**Expanding His Kingdom** - Kiathambu Church in central Kenya, led by Pastor John Ndung'u, has grown from 18 Kikuyu believers in a mud hut to 150 worshipers in a new church building. With the support of Kingdom Builders, lives are being transformed, people are finding freedom in Jesus, and new churches are already forming in nearby villages.

**Living Water** - Oloshaiki Church in southern Kenya is thriving with life-giving water. Pastor Timothy Nesenke, once persecuted as the first believer in his Maasai village, is now a respected leader drawing many to Jesus. The well funded by Kingdom Builders has become a powerful answer to prayer and a testimony to God's faithfulness.

## Prayer Points

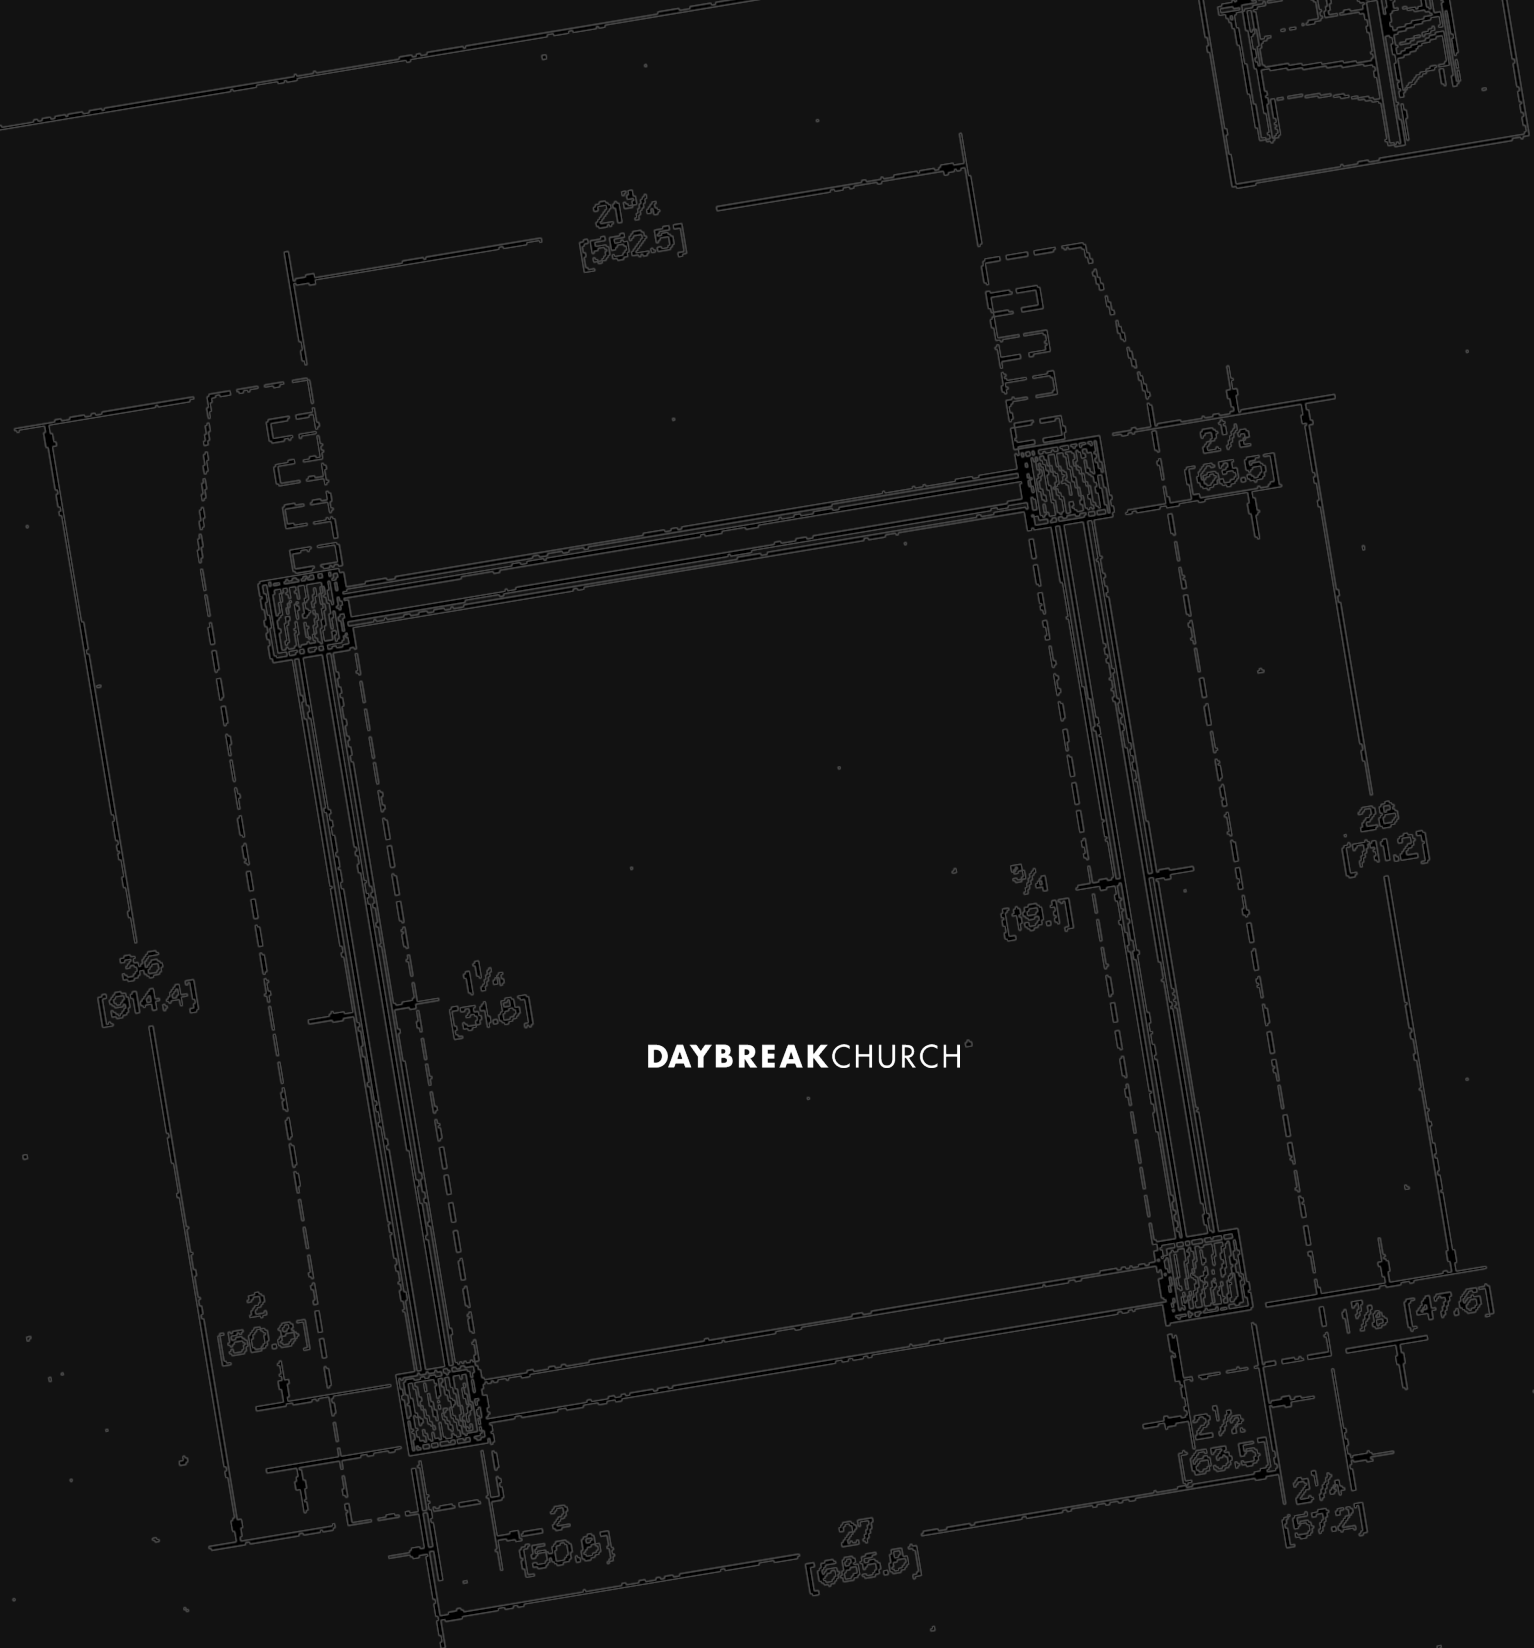

**Expanding His Kingdom** - That God will continue to expand His Kingdom among the nations, to strengthen and encourage His followers around the globe to make disciples of all nations, and to bring the love of Jesus to the ends of the Earth.

**Missionary Hearts** - Please pray that the Spirit of God will align our hearts with His, and that our local church community will live and love like Jesus, aware that we are all missionaries to those who surround us every day, at home or abroad.

"In Kenya, I saw God at work in the joy of the community, in clean water flowing for a village that has waited for years, and in the way hands eagerly reached for Bibles when we handed them out. Singing 'Jesus Loves Me' with the children, noticing our differences but singing the same words together, reminded me just how big and powerful God's love really is. And while we went to serve, the mission changed me too. When a pastor said that God makes no mistakes, it became a reminder that when we step into God's work, He transforms hearts."

-Jana Blanchette
